SIGNIFICANT ACCOUNTING POLICIES

Corporate Information

Kerala State Industrial Enterprises Limited is a Company wholly owned by Government of Kerala, incorporated under the provisions of the Companies Act, 1956 and is a Government Company within the meaning of Section 617 of the Act and Provisions of the said Act so far as they are applicable to a Government Company. It came into existence on 25th day of January 1973. The Company is engaged in various business activities as conceived in the Memorandum of Association and with respect to its altered objects confirmed by Registrar of Companies on 29th day of June 2009 as per Certificate of Registration U/s 18(1)A of the Companies Act 1956.

Since the company's borrowings exceed Rs.10 Crores during the period under Audit, it is a Non–SMC (Small and Medium Sized Company) as defined in the general Instructions in respect of Accounting Standards notified under the Companies Act, 2013. Accordingly the company has complied with all the Accounting Standards applicable to a non-small and medium sized company.

Basis of Preparation

The Financial Statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these Financial Statements to comply in all material aspects, with the Accounting Standards notified under the Companies Act, 2013. The Financial Statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year except for the change in accounting policy, if any explained below.

1. Change in Accounting Policy

During the year ended 31 March 2023, the company has prepared Financial Statements as per ScheduleI II to the Companies Act 2013. There is no change in Accounting policy during the period.

2. Uses of Estimates

The preparation of the Financial Statements in conformity with Indian GAAP requires Management to make Judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosures relating to contingent assets and liabilities at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in material or immaterial adjustments to the carrying amounts of assets or liabilities in future periods.

3. Revenue Recognition

Revenues / Incomes and Costs / Expenditure are generally accounted on accrual, as they are earned or incurred.

Sale of Goods /Services are recognized on transfer of significant risks and rewards of ownership which is generally on the dispatch of goods/ services. Interest accrued on Fixed Deposits are also recognized as Income.

Company recognizes interest on Fixed Deposits on proportionate day (no. of days) basis by calculating the difference between Maturity Value and Principal amount multiplied by the respective interest rates.

4. Inventories

Inventories of Raw Materials, Goods-in-Process, Stores and Spares and Finished goods are valued at cost or net realizable value, whichever is lower. This cost includes all expenditure incurred in bringing the inventories to their present condition and location. The calculation is made on First – in First – out basis.

The appropriate accounting method is followed by the Company as per the AS 2.

5. Provision for Doubtful debts.

Provision for Doubtful debts is provided on Sundry Debtors of Marketing Division which is outstanding for more than three years @10% every year which is accumulated every year.

6. Depreciation

Depreciation on fixed assets is provided on straight line method on the basis of useful life specified in Schedule II of Companies Act 2013. In case of Computers we have taken useful life as 6 years instead of 3 years as during the previous years.

7. Property, Plant and Equipments

Tangible

Fixed assets are stated at Cost less accumulated depreciation. Cost comprises Purchase price including duties and other non refundable taxes or levies, any directly attributable cost of bringing the asset to its working condition and indirect cost specifically attributable to construction of a project or to the acquisition of a Fixed Asset. Assets retired from active use are carried at lower of book value and estimated net realizable value.

The appropriate accounting method is followed by the Company as per the AS 10.

Capital Work-in-progress

Capital Work-in-progress comprises of the cost of tangible fixed assets that are not yet ready for their intended use as on the reporting date and accounted at its actual cost of expenditure incurred so far.

In-tangible

Costs that are directly associated with identifiable and unique software products controlled by the company, whether developed in-house or acquired, and have probable economic benefits exceeding the costs beyond one year are to be recognized as software projects. The appropriate accounting method is followed by the Company as per the AS 26.

8. Foreign Currency Transactions.

Foreign exchange transactions are recorded using the exchange rates prevailing on the dates of the respective transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the statement of profit and loss for the year.

9. Accounting for Government grants

Grant related to Fixed Assets should be presented in the Balance Sheet by showing the Grant as a deduction from the gross value of the assets concerned in arriving at their book value. Where the Grant related to a specific Fixed Assets equals the whole, or virtually the whole, of the cost of the asset, the asset should be shown in the Balance Sheet at a nominal value.

In case of acquisition/ Development of fixed assets which is in progress, Grant received in respect of acquisition/ Development of such fixed assets are shown as current liability until it is fully utilized for the purpose. In the case of Fixed Assetsacquired /Developed out of the specific Grant received, costs of such Fixed Assets so acquired/ Developed is capitalized afteradjusting against the amount of grant received and such assets are shown at a nominal value of Rupee 1.

The appropriate accounting method is followed by the Company as per the AS 12.

10. Investments

As per AS 13 Investments are classified into Current and Long-term Investments. Current Investments are those, which are readily realizable, and are intended to be held for not more than 12 months from the date of Investment. Investments falling outside the ambit of current investments are treated as "long term investments".

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Company's Investments are in Shares of Cochin International Airport Limited, Kannur International Airport Limited and INKES Trade Centre Limited which are not Short-term Investments as per the above classification of Investments. However, no provision for diminution in values is made as there is no permanent decline in the value of the investments.

11. Employee Benefits

Short-term Employee benefits are recognized as an expense at the undiscounted amount in the profit & loss account of the year in which the related service is incurred.

Defined contribution plan

Company's contributions due/ payable during the year towards Provident Fund is recognized in the profit & loss account. The company has no obligation other than the contribution payable to the Provident fund.

Defined Benefit Plan

a)Gratuity

The Company has been making payments to LIC under the Group Gratuity Scheme on demand from LIC of India, based on their estimates. LIC makes calculation based on actuarial valuation of the gratuity liability and the company has remitted the premium so as to cover the Company's actual liability in full under the LIC scheme.

In the case of employees on deputation from other companies / departments, provision for gratuity has been made in the books of accounts, for the completed years of service of each employee on deputation in the company as at the close of the year in accordance with the Payment of Gratuity Act, 1972.

b) Leave Surrender Salary (LSS)

The Company has been making payments to LIC under the Leave Surrender Salary on demand from LIC of India, based on their estimates. LIC makes calculation based on actuarial valuation of the LSS liability and the company has remitted the premium so as to cover the Company's liability upon retirement of employees under the LIC scheme.

In the case of employees on deputation from other companies / departments, provision for leave surrender salary is made in the books of accounts of KSIE based on their last drawn salary in the company and the number of earned leave at their credit as at the close of the year.

The appropriate accounting method is followed by the Company as per the AS 15.

12. Borrowing Cost.

Borrowing costs includes Interest. Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of cost of such asset till such time as the asset is ready for it's intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

The appropriate accounting method is followed by the Company as per the AS 16.

13. Segment Reporting.

The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure in individual segments.

The broad business segments of the entity are Manufacturing and Trading of Soaps, Trading of various types of commodities at the Business Centresand Providing various services at the Air Cargo Complexes.

Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment. Certain expenses such as administrative expenses, employee benefits, depreciation etc. which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying services are used interchangeably. It is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as 'unallocated' and directly charged against total income.

Fixed assets used in the business or liabilities contracted have not been identified for any of the reportable segments, as the fixed assets and services are used interchangeably between segments. Accordingly, no disclosure relating to total segment assets and liabilities are made.

The appropriate accounting method is followed by the Company as per the AS17.

14. Related Party Disclosures.

We have complied with the necessary disclosure requirement as per AS 18

15. Leases

Where the company is Lessee

Assets taken on lease, under which the lessor effectively retains all the risks and rewards of ownership, are classified as operating lease. Operating lease payments are recognized as expense in the profit and loss account on a straight-line basis over the lease term.

The Company has Lease Agreement which is classified as Operating Lease and accounted in accordance with AS 19.

Where the company is Lessor

Leases in which the company transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognized as a receivable at an amount equal to the net investment in the lease.

The Company has not engaged in any such Lease agreements.

16. Earning Per Share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all diluting potential equity shares.

The Company does not hold any category of shares that may get diluted on a future date. The appropriate accounting method is followed by the Company as per the AS 20.

17. Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in

India. The tax rates and tax Laws used to compute the amounts are those that are enacted, at the reporting date.

Deferred Taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted at the reporting date

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets including the unrecognized deferred tax assets, if any, at each reporting date, are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date and are adjusted for its appropriateness.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

The appropriate accounting method is followed by the Company as per the AS 22.

18. Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date. If there is any indication of impairment based on internal/external factors, an impairment loss is recognized wherever the carrying amount of an asset exceed its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

The company has not recognized any impairment loss in previous years or current reporting period. The appropriate accounting method is followed by the Company as per the AS 28.

19. Contingent Liabilities

A Contingent liability is a possible obligation that arises from the past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is liability that cannot be recognized because it cannot be measured reliably.

The company does not recognize a contingent liability but discloses its existence in the financial statements. The appropriate accounting method is followed by the Company as per the AS 29.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF KERALA STATE INDUSTRIAL ENTERPRISES LIMITED

Report on the Financial Statements Qualified Opinion

We have audited the accompanying financial statements of **Kerala State Industrial Enterprises Limited** (hereafter called 'the Company'), which comprises the balance sheet as at 31st March, 2023, the Statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, **except for the possible effects of matters described in the Basis for Qualified Opinion section**, the aforesaid financial statements give the information required by the Companies Act ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, changes in equity and its profit for the year ended as on that date.

Basis for Qualified Opinion

- 1. As required by the disclosure requirements under "AS 26-Intangible Assets", the company has not classified Intangible Assets item-wise. The management has represented that the value of intangible assets purchased are shown under the class-"Computer" in Schedule-E of the Property, Plant and Equipment.
- 2. The balances lying under Trade Payables, Trade Receivables, Other long term liabilities, and Security deposits are subject to confirmation and reconciliation. Thus we are unable to comment the impact of the same on the financial statements.
- 3. INKES Ltd., an associate company of KSIE had a liability of Rs. 520 lakhs as lease premium owed to KSIE. Out of this amount Rs. 130 lakhs was issued as Share Capital and the remaining Rs. 390 lakhs was categorized as an 'Advance for Investment' by KSIE. However, upon reviewing the Balance Sheet of INKES Ltd, only Rs. 275.39 lakhs was recorded as the lease premium liability. A discrepancy of Rs. 114.62 lakhs was observed, and the management has not provided any explanation for this difference.

IKSIIE

- 4. In addition to the aforementioned matter, INKES Ltd. has recorded a long term advance of Rs. 35 lakhs to KSIE. However a corresponding liability has not been accounted in the Balance Sheet of KSIE Ltd. Upon reviewing the preceding Financial Statements of INKES Ltd, the balance was outstanding for more than two years. As per the explanation given by the management, KSIE has treated this amount as reimbursement of preliminary expenses.
- 5. EMD Payable, grouped under other current liabilities, has an outstanding sum of Rs. 17.23 lakhs. The Management has not provided us with the party wise schedule or other details, so the accuracy of the same could not be ascertained by us.
- 6. The sums received from Calicut Air Cargo Complex, amounting to Rs. 13.84 lakhs and Cochin Business Center, totaling Rs. 27.20 lakhs have been accounted for under Trade Payables. Likewise, the advances of Rs. 23.38 lakhs provided to Trivandrum Air Cargo Terminal have been inappropriately recorded under Trade Receivables. Consequently, the financial statement does not accurately reflect the payable and receivable figures.
- 7. Following the dissolution of the erstwhile Kerala Soaps Ltd in 2011, which was taken over by "the Company", the available bank balance and the amount owed to the former were recorded as a long-term debt in the sum of Rs. 80.18 lakhs. As a result, long term borrowings are overstated to the same extent.
- 8. As per the explanation provided to us, the Income tax assessment for the previous years have already been completed but necessary adjustments have not been made in the accounts due to which Advance tax paid for the previous year's still remains under Long term loans and advances, which as a result does not depict a true picture of the state of affairs of the company.
- 9. The Income Tax assessment for the year 2013-14 has already been completed but necessary adjustments have not been made in the accounts due to which provision for income tax is overstated by Rs. 9.86 lakhs which is grouped under Short-term provisions in the Balance Sheet.
- 10. The Company has defaulted in repayment of loans taken from Government of Kerala as per G.O dated March 30th, 2011 amounting to Rs. 110 lakhs. The interest also remains unpaid. In addition to the normal rate of interest, penal interest at the rate of 2.50% is also levied which stands unaccounted by the Company as of this date.

The loan taken from Malabar Cements Limited as per G.O dated July 1st, 2010 amounting to Rs. 190 lakhs also stands unpaid with the interest due.

Interest calculated by the Company for Government loans received during the financial year 2021-22 and re-allocation of funds during 2022-23 do not align with the Government orders.

11. In accordance with clause 5 of the lease agreement between Travancore Cochin Chemicals Limited (hereafter 'TCC') and KSIE executed on August 5th, 2010 all overdue payments will incur an interest rate of 8% per annum from the date it has become due till it is duly paid. TCC has failed to make lease payments for 8 years and has not accounted the interest component.

This has resulted in overstatement of profit and understatement of interest liability for TCC to that extent.

- 12. The Company has not provided the reconciliation in respect of Goods and Service Tax (GST) as per the books of accounts and the periodical returns filed. Hence, any liability resulting out of such variance could not be quantified.
- 13. With reference to Cash and Bank Balance, upon reviewing the Balance confirmation received from SBI Kondotty, it was observed that the account has "Nil" closing balance as on the balance sheet date, whereas the financial statements reflect a debit balance of Rs. 0.23 lakhs. This has resulted in over-statement of Cash and Bank Balances to such an extent.
- 14. In 2009-10, the Company had incurred Rs. 362.73 lakhs for developing the land at Cochin International Container Freight Station. The 3.452 hectares of land where the land development had taken place is owned by Travancore Cochin Chemicals Limited, who leased the property to 'the Company' on August 29th, 2009 for a term of 30 years. Nearly 14 years have passed since the above-mentioned sum was capitalized by the company and the same has not been written off throughout the lease period. This amount is categorized under the class 'Land' in the Property, Plant and Equipment in Schedule-E.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the year ending 31st March, 2023. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Reporting of key audit matters as per SA 701 is not applicable to the company as it is an Unlisted Company.

Emphasis of Matter

We draw your attention to:

1. With reference to Point No.11 'MEC Easy Exit Scheme' and Point No.12 'KSO Ltd Easy Exit Scheme' of Schedule U of Others Notes to Accounts for the year, the assets and liabilities of both the companies whose names were struck off from ROC under Easy Exit Scheme 2011 has

not yet been fully incorporated in the books of accounts of the company till date. The net asset/ liability from takeover is not quantifiable as a result of the inadequate incorporation of assets and liabilities taken over.

- 2. In accordance with the Medical Reimbursement Scheme adopted by the company, one of the conditions for medical expense reimbursement eligibility is that the treatment is to be carried out in Government hospitals or any other hospital approved by the company. The company has reimbursed medical claim lodged by its employees for the medical treatment carried out in private hospitals but not approved by the company's medical reimbursement policy, which is in violation of the company's policies.
- **3.** As per the contract between AAICLAS (Airport Authority of India Cargo Logistics and Allied Services Co. Ltd) and KSIE concerning Export cargo handling at the Air cargo complex at Calicut, for the purpose of settlement/reconciliation of gross earnings a monthly statement showing transactions were to be certified and audited by a Chartered Accountant. However upon our verification we have noticed that the company hasn't prepared such a CA certified statement on a monthly basis. This was in violation of the contract to which they have entered upon.

Our opinion is not modified in respect of the above matters emphasized.

Other Matters

- Former Managing Director Saji Basheer had irregularly and illegally appointed employees and disbursed an amount of Rs. 39.83 lakhs during the period from September 2015 to May 2016. The Company has incurred financial loss to this extent. A request has been placed before the Government for taking appropriate action to recover the amount from Shri. Saji Basheer. An order has been issued by the Government of Kerala on 2nd July, 2021 to recover the amount from Saji Basheer. This aspect has not been reported in the notes to accounts.
- 2. Debtors and creditors at Business centers, Cochin International Container Freight Station and other units are posted on a consolidated basis thereby making it difficult to ascertain the reliability.
- **3.** As per CAG DO Letter No. PAG(Au II)/Rep(AMG II)/02-05/AR2021-22/Reconciliation/171 dated 23/12/2022, the difference between paid up share capital as per Company's accounts and Finance accounts is Rs. -3,008 lakhs. The company is requested to take necessary steps to reconcile this difference before finalisation of accounts for the financial year 2023-24.

Information other than the financial statements and auditor's report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained except the matters described in the Basis for Qualified Opinion Section, all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - **iii)** There has been no transfer of amounts, if any, required to be transferred, to the Investor Education and Protection Fund by the company as there was no dividend declared and paid last year.
 - iv) (i) The management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall,

whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (ii) The management has represented, that, to the best of it's knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- (h) As required by Section 143 (5) of the Act, our comments in regards to the directions and sub-directions issued by the Comptroller and Auditor General of India are given in "Annexure-C".
- (i) The Company has not declared or paid any dividend during the period and hence the compliance of Section 123 of the Act is not applicable.
- (j) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.

ANNEXURE-B TO THE AUDITORS' REPORT

Referred to in paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date to the Financial Statements for the year ended 31st March, 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Kerala State Industrial Enterprises Limited** ("the Company") as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, except for the matters disclosed below, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- 1. Strengthening of Internal Audit and timely addressal of internal auditor's comments.
- **2.** Timely reconciliation of inter unit transactions.
- **3.** Robust system for arriving at unit-wise profit/loss.

I, on behalf of the Comptroller and Auditor General of India, have decided not to conduct the supplementary audit of the financial statements of Kerala State Industrial Enterprises Limited, Thiruvananthapuram for the year ended 31 March 2023 under Section 143(6)(a) of the Act.

For and on behalf of the Comptroller and Auditor General of India

Thiruvananthapuram Dated: 30-04-2024

PRINCIPAL ACCOUNT GENERAL (AUDIT-II), **KERALA**

COMMENTS OF OFFICER ON SPECIAL DUTY (FINANCE RESOURCES) ON THE AUDITED ANNUAL ACCOUNTS OF KSIE FOR THE FINANCIAL YEAR 2022-23

1. Despite the decline in total revenue, the company registered a profit of Rs. 48 Lakhs, reversing the previous year's loss. This was mainly due to the increase in the turnover at Cochin International Freight Station and the Soap Unit, Kerala Soaps. The company may make earnest efforts to increase the turnover at other units also.

2. BoD may take serious efforts to settle the pending discrepancies in respect of Lease Premium Liabilities with INKES Ltd, in transactions like EMD payable, Trade receivable & payable, IT settlement etc.

3. The company may take sincere measures to settle the defaulted repayment of Loans and payment of Loan interests which are due to GOK and Malabar Cements.

4. BoD may initiate strict action to comply with the Government Order dated 02.07.2021, which directed the recovery of Rs. 39.83 Lakh from Sri. Saji Basheer, Former MD.

5. BoD may take necessary steps to reconcile the difference of Rs.-3008 Lakh in paid up share capital as per Company's accounts and finance accounts as noticed in CAG's letter dated 23.12.2022.

6. The company has not paid dividend as per G.O (P) No. 61/2023/Fin dated 23.06.2023, even though the company's registered profit for is Rs. 42 Lakh. BoD may look into it.

7. The company may take necessary arrangements to revalue its Property, Plant and equipments; also, the company has to draw up a regular programme of physical verification of its Property, Plant and equipments.

8. BoD may initiate necessary steps to clear the observations made in the audit report, other than the above mentioned; also remedial measures taken may be intimated to Govt.
